## About People

Roger McKay has joined Cutter Aviation Phoenix as regional sales manager of aircraft services.

Landmark Aviation named Bob Candler vice president and general manager of its Springfield, IL, maintenance, repair, and overhaul operation.

Jordan Pap□ was named vice president and general manager of Flightcraft, Inc.

FKI Logistex announced the appointment of Jerry Woodhouse as managing director, European operations.

Christophe Bernardini has been appointed president of the board of directors and CEO of TAT Industries. Bernardini was previously president and managing director of Sabena Technics and assistant managing director of TAT Industries Group. See related story p.8.

Michael O'Leary has joined Midcoast Aviation as avionics sales manager. O'Leary was formerly with JetCorp.

John J. Goglia, former member of the National Transportation Safety Board (NTSB), the first NTSB board member to hold an [FAA](#) aircraft mechanic's certificate and current senior vice president for the Professional Aviation Maintenance Association, recently received the Airline Transport Associations Nuts and Bolts Award. The award is given to those who have succeeded in improving the system or component processes related to engineering, maintenance, or materiel management.

Pat McKenna was named vice president and general manager of [Boeing](#) Commercial Airplanes Fabrication business unit, recently.
